I am Nare Ghazaryan. I am picture smart and nature smart. In my free time, I like to draw, listen to K-pop music, and watch K-Dramas. I also explore nature and I am fond of plants and flowers. I like it when people respect each other's opinions. We all should learn to do that. Having the technical know-how and correct design approach, I want to become an interior designer and book illustrator in the future

I am Sahak Galstyan I am interested i n Russian. I took part in the European Day of Languages event celebrated in Mkhitar Sebastatsi Educational Complex on September 25, 2023. Together with my fellow students, I presented the educational journal "Kaleidoscope" where we periodically publish fascinating essays, reviews, and translations by the learners under "Thinking out loud" and "Writer and publisher – oneself" headings.
